We have been given a website for this challenge

I saw that there is a place where we can login and an admin directory so I just put ' OR 1=1 – in username and password

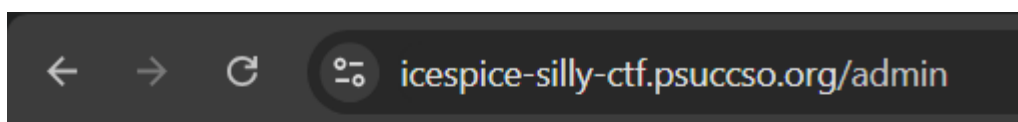

And I got into admin !! but it brought me to /login instead

Welcome, admin!

So I just change the directory to /admin and we got the flag !! flag= sillyCTF{Icey-Admin}

Welcome Admin!

Your flag is: sillyCTF{Icey-Admin}
